

**National AHPs Day 2020!!**

**Save the date: Wednesday 14th October 1330-1530**

The **Greater Manchester AHP Faculty** is organising a webinar to celebrate **National AHP Day 2020!**

This is an exciting opportunity to find out about the development of the GM AHP Council and Faculty as they showcase their successes and current work being undertaken around workforce planning and supporting the future AHP workforce in GM, including the support workforce.

This event is **suitable for all staff/students, at all levels**, who want to find out more about being an AHP and the current work going on in GM.

The event aims to:

- Celebrate the achievements over the past few months, during the Covid-19 pandemic.
- Speaker Presentations from a diverse range of AHPs including students, Private Practice and NHS.
- Provide a valuable opportunity to find out about the GM AHP network, the individuals that are driving this work forward and how to get involved.

More information regarding this webinar event is to follow, but for now, **please register [here](#)**.
